Questions from Guests:

- Why are only some of the minutes and treasurer’s reports on the HDNA website?
 - It is not the policy of the HDNA to NOT share, doing our best to make sure everything is available.
 - If there is anything specific that is not on the website, please send us an email and we will make it available asap, to the best of our ability.
- HDNA tax filing status discussion
 - 501c3-exempt tax status for non profit private foundation
 - Large concern as to why we are that status instead of a charitable organization
